G, Sect. 1

**SUPPLEMENTAL AGREEMENT
(PERSONAL SAVINGS PLAN)**

On this 18th day of September, 2003, Delphi Corporation, hereinafter referred to as the Corporation or Delphi, and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, hereinafter referred to as the Union, on behalf of the employees covered by the Collective Bargaining Agreement of which this Agreement becomes a part, agree as follows:

SECTION 1. Establishment of Plan

Subject to the approval of its Board of Directors, which occurred on December 3, 2003, the Corporation established Personal Savings Plan for Hourly-Rate Employees in the United States, hereinafter referred to as the "Plan," a copy of which is attached hereto and made a part of this Agreement to the extent applicable to the employees represented by the Union and covered by this Agreement as if fully set out herein, modified and supplemented, however, by the provisions hereinafter. In the event of any conflict between the provisions of the Plan and the provisions of this Agreement, the provisions of this Agreement will supersede the provisions of the Plan to the extent necessary to eliminate such conflict.

SECTION 2. Administration

The Corporation shall have the responsibility for administration of the Plan.

Notwithstanding Article VI, Section 6.04 of the Plan, distribution of all assets in the Account of a Participant who has been discharged shall be deferred, unless the Participant otherwise elects irrevocably, pending the final resolution of any grievance over such Participant's discharge pursuant to the Collective Bargaining Agreement.

(2)

(3)

G, Sect. 3

SECTION 3. Non-Applicability of Collective Bargaining Agreement Grievance Procedure

No matter respecting the Plan as supplemented by this Agreement or any difference arising thereunder shall be subject to the grievance procedure established in the Collective Bargaining Agreement between the Corporation and the Union.

SECTION 4. Governmental Rulings

The Plan and the Plan as it may be supplemented by superseding provisions of this Agreement are contingent upon and subject to the Corporation obtaining and retaining from the Internal Revenue Service a ruling, satisfactory to the Corporation, holding that the Plan meets the requirements of Section 401 of the Code, or any section of the Code which amends, supersedes, or supplements said section, and that any trust forming a part of the Plan is exempt from income taxation under Section 501(a) of the Code, or any section of the Code which amends, supersedes, or supplements said section. In the event the above ruling is not obtained, the Corporation, within 30 days after any such disapproval, will give written notice thereof to the Union.

Notwithstanding any other provisions of this Agreement or the Plan, the Corporation, with the consent of the Director of the General Motors Department of the Union, may, during the term of this Agreement, make revisions in the Plan not inconsistent with the purposes, structure, and basic provisions thereof which shall be necessary to obtain or retain the ruling referred to in this Section 4. Any such revisions shall adhere as closely as possible to the language and intent of provisions outlined in this Agreement and the Plan.

(4)

G, Sect. 5

SECTION 5. Duration of Agreement

This Agreement and Plan as supplemented by this Agreement shall continue in effect until otherwise agreed to by the Corporation and the Union.

In witness hereof, the parties hereto have caused this Agreement to be executed the day and year first above written.

Such contributions must be whole percentages of the Employee's Eligible Weekly Earnings and may not be at a rate of less than 1% nor more than 60% of the Employee's Eligible Weekly Earnings.

In addition to the contributions described above, an Employee age 50 or over, or an Employee that will attain age 50 by the end of the year, may elect to have the Corporation contribute to the Employee's Account "catch-up" contributions as permitted by Federal law. Such contributions may not be at a rate of less than 1% nor more than 40% of the Employee's Eligible Weekly Earnings. 4.02 Transfer of Assets to or Receipt of Assets from Other Qualified Plans

The Administrator may direct the Trustee to accept all of an Employee's funds transferred from a similar qualified plan, and may direct the Trustee to transfer all of a Participant's funds to a similar qualified plan, provided such other qualified plan: (1) is maintained by an employer which is a member of a controlled group of corporations of which the Employee's current employer

17

Art. IV, 4.02

is a member, and (2) permits such transfers or (3) is a plan maintained by General Motors Corporation as part of an applicable GM collective bargaining agreement. Any funds so transferred shall be accompanied by instructions from the Trustee setting forth the Employee for whose benefit such assets are being transferred, and identifying the source of such accumulated funds. Funds transferred from other plans which otherwise would be subject to federal income taxation will be designated as Deferred Savings.

Notwithstanding the foregoing, the Plan may not receive a transfer from another qualified plan if such other plan provides, or at any time had provided, benefits through alternative forms of distribution, including annuities, which are not available under this Plan.

4.03 Rollovers

(a) An Employee may make a rollover contribution, as permitted under Section 402(c) of the Code, into an option or options selected by such Employee in an amount not exceeding the total amount of taxable and/or nontaxable proceeds distributed by another eligible retirement plan. An eligible retirement plan shall be determined under Section 402(c)(8)(B). Additionally, cash proceeds received under a Qualified Domestic Relations Order from an eligible retirement plan as described above may be rolled over to the Plan. The rollover contribution must be made by the Employee (a) within 60 days following the receipt of such distribution of taxable proceeds, or (b) as a direct trustee-to-trustee transfer from the former employer's plan as permitted under Section 401(a)(31) of the Code.

(b) An Employee who receives an Eligible Rollover Distribution may elect to have the Trustee transfer directly to an IRA of the Employee, or to another employer's plan in which the Employee is a participant, all or part of the assets included in the distribution, including Company stock. The Employee shall designate the IRA or other

Art. IV, 4.03(b)

employer's plan to which assets are to be transferred, and the transfer shall be made subject to acceptance by the transferee plan or IRA. Any such direct transfer shall be subject to Section 401 (a)(31) of the Code.

4.04 Cash or Deferred Arrangement Limitation

(a) The Deferred Savings percentage by the eligible Highly Compensated Employees under the Plan for a Plan Year must meet one of the following tests using the current year testing method:

(ii) The actual Deferred Savings percentage of the eligible Highly Compensated Employees is not more than two percentage points more than the actual Deferred Savings percentage for all other eligible Employees and is not more than 2.0 times (or, such lesser amount as the Secretary of the Treasury shall prescribe) the actual Deferred Savings percentage of all other eligible Employees.

(b) The actual Deferred Savings percentage for the eligible Highly Compensated Employees and all other eligible Employees for a Plan Year is the average of the ratios (calculated separately for each eligible Employee) of the:

(i) Amount of Deferred Savings actually paid over to the Plan trust not later than two and one-half months after the Plan Year on behalf of such eligible Employee for the Plan Year to:

(ii) The eligible Employee's Compensation for such Plan Year.

(c) The amount of Deferred Savings for a Highly Compensated Employee that exceeds the percentage limitations of subsection (a) of this Section 4.04 shall be distributed to the Participant no later than two and one-

Art. IV, 4.04(c)

half months following the end of the Plan Year. The amount of any such distribution shall be determined under a reasonable method selected by the Administrator under applicable tax regulations and will include any earnings attributable to the excess Deferred Savings.

(d) Special Rules

(i) In the event that this Plan satisfies the requirements of Sections 401(k), 401(a)(4), or 410(b) of the Code only if aggregated with one or more other plans, or if one or more other plans satisfy the requirements of such sections of the Code only if aggregated with this Plan, then this Section 4.04 shall be applied by determining the actual Deferred Savings percentage of eligible Employees as if all such plans were a single plan.

(ii) The actual Deferred Savings percentage for any Participant who is a Highly Compensated Employee for the Plan Year, and who is eligible to participate in two or more arrangements described in Section 401(k) of the Code that are maintained by the Corporation, shall be determined by treating all such plans as a single plan. Notwithstanding the foregoing, certain plans shall be treated as separate if mandatorily disaggregated under regulations under Section 401(k) of the Code.

(iii) Notwithstanding any other provision of the Plan, Excess Contributions, plus any income and minus any loss allocable thereto, shall be distributed no later than the last day of the following Plan Year to Employees to whose accounts such Excess Contributions were allocated. Excess Contributions are allocated to the Highly Compensated Employees with the largest amounts of Deferred Savings taken into account for the year in which the excess arose, beginning with such Employee with the largest amount of such Savings and continuing in descending order until all the Excess Contributions have been allocated. For purposes of the preceding sentences, the "largest amount" is determined after distribution of any Excess Contributions.

20

Art. V

ARTICLE V
AFTER-TAX SAVINGS

5.01 After-Tax Savings

(a) In lieu of all or part of the contributions an Employee may authorize in accordance with Section 4.01, an Employee may elect to contribute an equivalent amount to the Plan on an after-tax basis. Such contributions shall be allocated to the Employee's Account and shall be vested immediately.

The Employee may elect, by providing appropriate direction to the party designated by the Administrator, to change the amount of such contributions or to have such contributions suspended at any time.

(b) Any change in the rate of payroll deduction authorized by an Employee in accordance with subsection (a) of this Section 5.01 will become effective not later than the first day of the second pay period next following the date on which such authorization is received by the party designated by the Administrator.

(c) The Corporation may limit the amount of contributions to the trust pursuant to subsection (a) of this Section 5.01 if necessary to comply with Sections 5.03, 5.05, and 8.04 of the Plan.

5.02 Transfer of Assets to or Receipt
of Assets from Other Qualified Plans

The Administrator may direct the Trustee to accept all of an Employee's funds transferred from a similar qualified plan, and may direct the Trustee to transfer all of a Participant's funds to a similar qualified plan, provided such other qualified plan (1) is maintained by an employer which is a member of a controlled group of corporations of which the Employee's current employer is a member, and (2) permits such transfers, or (3) is a

21

Art. V, 5.02

plan maintained by General Motors Corporation as part of an applicable GM collective bargaining agreement. Any funds so transferred shall be accompanied by instructions from the Trustee setting forth the Employee for whose benefit such assets are being transferred, and identifying the source of such accumulated funds. Funds transferred from other plans which otherwise would not be subject to federal income taxation will be designated as After-Tax Savings.

Notwithstanding the foregoing, the Plan may not receive a transfer from another qualified plan if such other plan provides, or at any time had provided, benefits through alternative forms of distribution, including annuities, which are not available under this Plan.

5.03 After-Tax Contribution Limitation

(a) The After-Tax Savings percentage by the eligible Highly Compensated Employees under the Plan for a Plan Year must meet one of the following tests using the current year testing method:

(i) The actual After-Tax Savings percentage of the eligible Highly Compensated Employees is not more than 1.25 times the actual After-Tax Savings percentage of all other eligible Employees; or

(ii) The actual After-Tax Savings percentage of the eligible Highly Compensated Employees is not more than two percentage points more than the actual After-Tax Savings percentage for all other eligible Employees and is not more than 2.0 times (or, such lesser amount as the Secretary of the Treasury shall prescribe) the actual After-Tax Savings percentage of all other eligible Employees.

(b) The actual After-Tax Savings percentage for the eligible Highly Compensated Employees and all other eligible Employees for a Plan Year is the average of the

22

Art. V, 5.03(b)

ratios (calculated separately for each eligible Employee) of the:

(i) Amount of After-Tax Savings actually paid over to the Plan trust on behalf of such eligible Employee for the Plan Year to:

(ii) The eligible Employee's Compensation for such Plan Year.

(c) The amount of After-Tax Savings for a Highly Compensated Employee that exceeds the percentage limitations of subsection (a) of this Section 5.03 shall be distributed to the Participant no later than two and one-half months following the end of the Plan Year. The amount of any such distribution shall be determined under a reasonable method selected by the Administrator under applicable tax regulations and will include any earnings attributable to the excess After-Tax Savings.

5.04 Special Rules

(a) In the event that this after-tax portion of the Plan satisfies the requirements of Sections 401(m), 401(a)(4), or 410(b) of the Code only if aggregated with one or more other plans, or if one or more other plans satisfy the requirements of such sections of the Code only if aggregated with this after-tax portion of the Plan, then Section 5.02 shall be applied by determining the actual After-Tax Savings percentage of eligible Employees as if all such plans were a single plan.

(b) The actual After-Tax Savings percentage for any Participant who is a Highly Compensated Employee for the Plan Year, and who is eligible to participate in two or more arrangements described in Section 401(m) of the Code that are maintained by the Corporation, shall be determined by treating all such plans as a single plan. Notwithstanding the foregoing, certain plans shall

23

Art. V, 5.04(b)

be treated as separate if mandatorily disaggregated under regulations under Section 401(m) of the Code.

(c) Notwithstanding any other provision of the Plan, Excess Aggregate Contributions, plus any income and minus any loss allocable thereto, shall be distributed no later than the last day of the following Plan Year to Employees to whose accounts such Excess Aggregate Contributions were allocated. Excess Aggregate Contributions are allocated to the Highly Compensated Employees with the largest amounts of After-Tax Savings taken into account for the year in which the excess arose, beginning with such Employee with the largest amount of such Savings and continuing in descending order until all the Excess Aggregate Contribution have been allocated. For purposes of the preceding sentence, the "largest amount" is determined after distribution of any Excess Aggregate Contributions.

If such Participant fails to make an election, the Participant's Assets shall remain in the Participant's Account until the earlier of:

Installment payments must be in whole dollar amounts with \$100 established as the monthly minimum amount. A Participant may change or discontinue installment payments at any time by providing appropriate direction to the party designated by the Administrator.

If a terminated Participant does not make an election under this Section 6.04 prior to attaining age 70-1/2, distribution of assets in the Participant's Account will

Art. VI, 6.04(2)

begin not later than April 1 of the calendar year following the calendar year in which the Participant attains age 70-1/2 and shall be made annually thereafter in accordance with Section 401(a)(9) of the Code and the regulations thereunder, including the minimum distribution incidental benefit requirement of Section 1.401(a)(9)-2 of the Income Tax Regulations.

All liability for payment thereof shall thereupon terminate; provided, however, in the event the identity or location of the Participant or beneficiary is determined subsequently, the value of the assets at the Date of Valuation shall be paid from the Plan to such person in a single sum. Any assets so liquidated shall be (1) paid to the Participant or

Art. VI, 6.04(c)

(a) Upon withdrawal or settlement pursuant to Section 6.03 or subsections (a) and (b) of Section 6.04, a Participant may elect to receive any full shares equivalent to the Current Market Value of their assets invested in any of the GM Common Stock Funds, EDS Common Stock Fund, Delphi Common Stock Fund, or the Raytheon Common Stock Fund; provided, however, that prior to or coincident with the Effective Date of Withdrawal or Effective Date of Termination, the Participant may elect to receive cash-in-lieu of shares equivalent to the value of their assets invested in the GM Common Stock Funds, EDS Common Stock Fund, Delphi Common Stock Fund, or the Raytheon Common Stock Fund based on the Current Market Value of such stock on the Date of Valuation. All fractional units of the GM Common Stock Funds, EDS Common Stock Fund, Delphi Common Stock Fund, or the Raytheon Common Stock Fund worth less than one share of stock and all units of the Promark Funds, Socially Oriented Funds, and Mutual Funds will be paid out in cash.

(b) Upon settlement pursuant to subsection (c) of Section 6.04, a Participant shall receive cash-in-lieu of shares equivalent to the value of their assets liquidated in the GM Common Stock Funds, EDS Common Stock Fund, Delphi Common Stock Fund, or the Raytheon Common Stock Fund based on the Current Market Value of such stock funds on the Date of Valuation.

The beneficiary or beneficiaries may elect to receive cash-in-lieu of shares equivalent to the value of the assets invested in the GM Common Stock Funds, EDS Common Stock Fund, Delphi Common Stock Fund, or the Raytheon Common Stock Fund in the deceased Participant's Account, based on the Current Market Value of such stock funds on the Date of Valuation. The Date of Valuation will be the Effective Date of Withdrawal. For purposes of making a settlement distribution to the beneficiary or beneficiaries, the Date of Valuation and the Effective Date of Withdrawal means the date on which the Administrator, or its delegate, determines the appropriate beneficiary or beneficiaries and is in receipt of all necessary information and directions to process the settlement.

(2) Notwithstanding the provision of the immediately preceding paragraph, (a) if a Participant's beneficiary is the Participant's surviving spouse, if the Participant has elected a distribution schedule under Section 6.04 (a) which had commenced by the Participant's date of death, the Participant's account shall continue to be paid to the surviving spouse pursuant to such schedule or at the spouse's election at any time in a lump sum, and (b) if distribution of the Participant's account has not commenced as of the Participant's date of death, the surviving spouse shall, for purposes of the distribution requirements and options under the Plan, be deemed a participant; except that the surviving spouse shall be deemed to attain age 70-1/2 on the date the Participant would have attained such age.

Additionally, in no event shall the surviving spouse be able to make contributions to the deceased Participant's Account.

Art. VI, 6.06

6.06 Loans

(a) Subject to such rules as the Administrator may prescribe, a Participant, a former Employee, and a surviving spouse, may borrow from assets in such Participant's Account one time each calendar year, for any reason, an amount (when added to the outstanding balance of all other Plan loans) not more than the lesser of:

(1) \$50,000 less the highest aggregate outstanding loan balance over the 12-month period preceding the Participant's application for loan; or

(2) one-half of the Current Market Value of all assets in the Participant's Account.

The maximum amount available for a loan to an active Participant will be reduced by an amount equal to the outstanding principal and interest of any loan that has been defaulted.

For purposes of the above limitation, all loans from all plans maintained by the Corporation [or its subsidiaries in accordance with Section 414(b), (c), or (m) of the Code] shall be aggregated.

(b) Loans shall be granted in whole dollar amounts with one thousand dollars (\$1,000) established as the minimum amount of any loan.

(c) Loans shall be granted for a minimum period of 12 months, with additional increments of 12 months as the Participant may elect, to a maximum of five years (ten years in the event the loan is for the purchase or construction of the Participant's principal residence), provided a Participant may not elect a term which will result in repayments of less than \$10 per pay period.

(d) Loans shall bear a rate of interest equal to the Prime Rate prevailing as of the last Business Day of the

Art. VI, 6.06(d)

calendar quarter immediately preceding the date the Participant gives appropriate direction for a loan to the party designated by the Administrator.

The interest rate shall remain the same throughout the term of the loan.

(e) For purposes of this Section 6.06, the Current Market Value of a Participant's assets shall be determined on the Effective Date of Loan.

(f) Each loan shall be evidenced by a written, or online acknowledged, Participant Loan Agreement that specifies:

- (1) the amount of the loan;
- (2) the term of the loan; and
- (3) the repayment schedule, showing payments to be made in a level amount which will fully amortize the loan over its duration.

By endorsing and either cashing or depositing the check representing the loan, a Participant shall acknowledge receipt of the Participant Loan Agreement and agree to the terms and conditions contained therein.

(g) Cash equal to the value of any loan granted shall be obtained by liquidating assets in the Participant's Account from investment options in which the Participant has assets, as the Participant may elect.

(h) Repayment of a loan shall be through weekly payroll deductions, except that if the Participant is not an active Employee, such repayments shall be made through monthly installment payments. Payments of principal and interest shall be applied to reduce the outstanding balance of a loan. Loan repayment amounts shall be allocated to the Participant's Account in the same investment option(s) as elected by the Participant

Art. VI, 6.06(h)

pursuant to subsection (a) of Section 6.01. A Participant shall be entitled to prepay the total outstanding loan balance or make partial prepayment at any time without penalty.

(i) A Participant with an outstanding loan who is placed on layoff shall be entitled to:

(1) make installment payments equivalent in value to the payments deducted previously from the Participant's paycheck; or

(2) suspend loan payments for a period of up to 12 months while on layoff; provided such period does not extend beyond the maximum loan term.

(j) A Participant with an outstanding loan who is placed on a disability leave of absence must make installment payments substantially equal to the payments deducted previously from the Participant's paycheck.

(k) No earnings shall accrue to the Participant's Account with respect to the outstanding balance of any loan.

(l) In the event an active Participant fails to make a required loan payment and such failure continues beyond the last day of the calendar quarter following the calendar quarter in which the required payment was due, then the Participant's loan will be defaulted and such Participant shall be irrevocably deemed to have received a distribution of assets in an amount equal to the remaining outstanding principal amount of and accrued interest on the loan, calculated to the date of such deemed distribution. An active Participant will not be relieved of the liability to repay a loan that is classified as a deemed distribution.

(m) In the event a former Employee, surviving spouse, or a terminated Participant (including

Art. VI, 6.06(m)

termination due to death or retirement) fails to make a required loan payment and such failure continues beyond the last day of the calendar quarter following the calendar quarter in which the required payment was due, then the former Employee, surviving spouse, or terminated Participant shall be irrevocably deemed to have received a distribution of assets in an amount equal to the remaining outstanding principal amount of and accrued interest on the loan, calculated to the date of such deemed distribution. A former Employee, surviving spouse, or terminated Participant will be relieved of the liability to repay a loan once such loan is classified as a deemed distribution.

(n) A Participant (or beneficiary) who, prior to such Participant's repayment of the total principal amount of and accrued interest on a loan, requests or receives a settlement of assets, shall be deemed to have elected a withdrawal, pursuant to Section 6.03, equal to the principal amount of and accrued interest on the loan as of the Effective Date of Withdrawal.

(o) Any appropriate direction given to borrow assets shall be irrevocable, normally as of 4:00 p.m. Eastern Time, on the Business Day such election is received by the party designated by the Administrator.

(p) A Participant may have no more than five loans outstanding at any one time.

8.07 Investment Decisions

Any Participant or beneficiary, who makes an investment election permitted under the Plan or otherwise exercises control permitted under the Plan over the assets in the account, shall be deemed the named fiduciary under ERISA responsible for such decisions to the extent that such designation is permissible under applicable law and that the investment election or other exercise of control is not protected by Section 404(c) of ERISA, as amended.

(b) Additional contributions permitted under this Section shall be based on the amount of Eligible Weekly Earnings and Profit Sharing Amount that the Employee would have received from the Corporation but for the military service, and such contributions shall be subject to the Plan's terms and conditions in effect during the applicable period of military service. Such contributions shall be made during the period that begins upon re-employment and extends for the lesser of five years or the Employee's period of military service multiplied by three.

However, in no event may such contributions, when added to actual contributions previously made, exceed the amount of contributions allowable under the applicable limits in effect during the year of military service if the Employee had continued to be employed by the Corporation.

Further, in the event contributions are made due to a mistake or an administration error, such contributions may be returned to the Corporation within one year of the date of discovery of such mistake or error.

This Article IX applies to this ESOP portion of the Plan.

9.02 ESOP Pre-Tax Savings Limitation

(a) The ESOP Deferred Savings percentage by the eligible Highly Compensated Employees under the Plan for a Plan Year must meet one of the following tests using the current year testing method:

(i) The actual ESOP Deferred Savings percentage of the eligible Highly Compensated Employees is not more than 1.25 times the actual ESOP Deferred Savings percentage of all other eligible Employees; or

46

Art. IX, 9.02(a)(ii)

(ii) The actual ESOP Deferred Savings percentage of the eligible Highly Compensated Employees is not more than two percentage points more than the actual ESOP Deferred Savings percentage for all other eligible Employees and is not more than 2.0 times (or, such lesser amount as the Secretary of the Treasury shall prescribe) the actual ESOP Deferred Savings percentage of all other eligible Employees.

(b) The actual ESOP Deferred Savings percentage for the eligible Highly Compensated Employees and all other eligible Employees for a Plan Year is the average of the ratios (calculated separately for each eligible Employee) of the:

(i) Amount of ESOP Deferred Savings actually paid over to the Plan trust not later than two and one-half months after the Plan Year on behalf of such eligible Employee for the Plan Year to:

(ii) The eligible Employee's Compensation for such Plan Year.

(c) The amount of ESOP Deferred Savings for a Highly Compensated Employee that exceeds the percentage limitations of subsection (a) of this Section 9.02 shall be distributed to the Participant no later than two and one-half months following the end of the Plan Year. The amount of any such distribution shall be determined under a reasonable method selected by the Administrator under applicable tax regulations and will include any earnings attributable to the excess ESOP Deferred Savings.

9.03 ESOP After-Tax Contribution Limitation

(a) The ESOP After-Tax Contribution percentage by the eligible Highly Compensated Employees under the Plan for a Plan Year must meet one of the following tests using the current year testing method:

47

Art. IX, 9.03(a)(i)

(b) The actual ESOP After-Tax Savings percentage for the eligible Highly Compensated Employees and all other eligible Employees for a Plan Year is the average of the ratios (calculated separately for each eligible Employee) of the:

(c) The amount of ESOP After-Tax Savings for a Highly Compensated Employee that exceeds the percentage limitations of subsection (a) of this Section 9.03 shall be distributed to the Participant no later than two and one-half months following the end of the Plan Year. 48

Art. IX, 9.04

9.04 ESOP Special Rules

(i) In the event that this ESOP portion of the Plan satisfies the requirements of Sections 401(k), 401(m), 401(a)(4), or 410(b) of the Code only if aggregated with one or more other plans, or if one or more other plans satisfy the requirements of such sections of the Code only if aggregated with this Plan, then this Section 9.04 shall be applied by determining the actual ESOP Deferred Savings percentage of eligible Employees as if all such plans were a single plan.

(ii) The actual ESOP Deferred Savings percentage or ESOP After-Tax Savings percentage for any Participant who is a Highly Compensated Employee for the Plan Year, and who is eligible to participate in two or more arrangements described in Sections 401(k) and 401(m) of the Code that are maintained by the Corporation, shall be determined by treating all such plans as a single plan. (iii) In the event the limits of Sections 9.02 or 9.03 are exceeded, then the actual ESOP Deferred Savings percentage or the actual ESOP After-Tax Savings percentage of those Highly Compensated Employees will be reduced using the same correction procedure set forth in Sections 4.04(d)(iii) and 5.04 as needed so that the limits are not exceeded. The amount by which each Highly Compensated Employee's ESOP Deferred Savings or ESOP After-Tax Savings is reduced shall be treated as an Excess Contribution or Excess Aggregate Contribution, respectively. The actual ESOP Deferred Savings percentage or the actual ESOP After-Tax Savings percentage of the Highly Compensated Employees is determined after any corrections are made. Excess contributions and excess aggregate contributions shall be treated as Annual Additions.

Dear Mr. Shoemaker:

During these negotiations, the parties recognized the need to move ahead with the development of technological applications to improve the quality of service provided to hourly employees.

1. The parties recognized the need to provide the necessary tools to Local Union Benefit Representatives so that they may improve the service they are providing to hourly employees. Local Union Benefit Representatives require basic information that can be accessed quickly in order to confidently and accurately answer many of the questions they receive. Therefore, the parties have designed two systems, the Benefits Data Access and the Benefits WorkStation Access systems, whereby Local Union Benefit Representatives have access to certain data elements from several benefit data systems. These systems provide inquiry only access to Local Union Benefit Representatives who complete a computer training program. Access is limited to information for UAW hourly employees at their particular location.
2. The parties jointly will develop and implement a new benefit documentation feature to the existing systems that will be available to Local Union Benefit Representatives. The Systems will include benefit plan booklets, administrative manuals (where applicable), relevant contract provisions and appropriate process descriptions. Upon approval by

the Executive Board of Joint Activities, the cost of development, hardware and software requirements, conversion of written documentation, and installation and training, will be charged to the National Joint Skill Development and Training Fund. It is contemplated the benefit documentation feature will be implemented during the term of the 2003 Agreement.

3. The parties further agreed to provide hourly employees with web technology in addition to the continued use of a Voice Response System for inquiry and transactions in the Personal Savings Plan.
4. The parties agree to enhance the Benefit Data Access System to provide the Pension Plan survivor coverage election/rejection and the cost of such survivor option. The cost of development and implementation will be charged to the National Joint Skill Development and Training Fund.

In conclusion, during the term of the new Agreement, the parties pledge to carefully consider every opportunity to improve the quality and efficiency in benefits delivery.

Dear Mr. Shoemaker:

During these negotiations, the parties discussed the process for Employees to defer Suggestion Award Payments into their Personal Savings Plan (PSP) account. It was noted that Employees currently have the ability to defer their Suggestion Award Payments up to the maximum Plan contribution rate.

The Union requested that Employees be permitted to defer up to 100% of their Suggestion Award Payments into the PSP. The parties discussed the payment process for Suggestion Award Payments with the expectation of implementing a lump sum deferral feature of 100% of such payment into the PSP up to the annual IRS dollar limits.

The implementation date of the PSP deferral feature on Suggestion Award Payments will commence on or before January 1, 2005.
